

STUDENT ACHIEVEMENTS 2015-16

MAXIM, Xavier Institute of Management Bhubaneswar received the **Certificate of Appreciation** for organizing the **Market Research and Citizen engagement Program** conducted by BMC. Our city **Bhubaneswar** has been declared as the **winner of the Smart City challenge** held by the government. It beat 97 other cities to make it to the top 20 cities of the country for this project. These cities will be developed to have basic infrastructure through assured water and power supply, sanitation and solid waste management, efficient urban mobility and public transport, IT connectivity, e-governance and citizen participation.

MAXIM had the great opportunity of being a part of this unique experience. They were given the task for conducting market research on mobility solutions and create citizen engagement to boost the social media activity of Smart City Bhubaneswar page. This was held from 31st Oct- 10th November across 18 locations in the city with a team of 120 volunteers. Their work was covered widely by various forms of media and was highly appreciated.

We would like to thank each and every one from the **XIMB community** who helped them achieve this task. The government has already undertaken various measures like the Rahagiri day every Sunday based on their analysis from the research. Many such solutions will be implemented soon which will help make our city a better and smarter city in the coming years.

Article on Final Report-

<http://epaper.telegraphindia.com/details/195184-171121514.html>

Vivek Balachander S, Abha Mahapatra, Biswabhusan Samantray of **MBA-Sustainability Management** have won the **Wipro earthian award**. This competition had two parts:(A) campus foot printing exercise and (B) waste management for urban India. They have prepared a comprehensive plan to manage municipal solid waste generated in Bhubaneswar city.

Wipro earthian contest aims at building institutional capability in the area of sustainability in education on a long term basis. The winners will receive cash award of Rs.150000 (Rs.75000 to the students and Rs.75,000 to the Institute). This award also includes continuous engagement in the area of sustainability and education with students and winning institute for next 3 years. Trophy and Certificates will be given to XUB and the winning students respectively.

For more details, please visit the following link.

<http://www.wipro.org/earthian/winners-2015.php>

Ms. Kavyashree Madhusudan Hegde – a student MBA-HRM of XSHRM (2nd year) is one of the 3 top winners of the "NHRDN - Prof Ram Charan Young HR Icon Awards 2015 for Professionals and Students".

Our heartiest congratulations! She has proven her mettle across the multiple rounds of assessment and displayed the aptitude, attitude and skills critical to a budding HR leader. We hope that the awards journey has been an insightful and enriching experience for her. The award is a testimony to Kavyashree's brilliance and competence. It also provides testimony to the exposure that XSHRM provides to budding managers, creating a culture of academic excellence and extra-curricular involvement, which has enabled her to shine among over 210 organizations.

We congratulate Ms. Anupam Priya on creating a Vision statement for the future smart city of Bhubaneswar !Ms. Anupam Priya of XIMB (MBA 2014-16 Batch) won the BMC contest to draft a vision statement for Bhubaneswar to make it a sustainable and inclusive city. Anupam stressed on clean, safe, sustainable and green environment in the city where all communities can live in harmony and preserve their distinct identities.

A contest was organized by the BMC to draft a vision statement for Bhubaneswar to make it a sustainable and inclusive city. The contest had received more than 500 vision statements through online and offline submissions.

A jury panel comprising India Representative to Bernard van Leer Foundation Dharitri Patnaik, Regional Manager of Infosys Lt. Commander Biswajit Nayak, Director of KIIT University, Prof S. S Ray and journalist Bibhuti Barik evaluated the entries.

Ms. Anupam Priya of XIMB (MBA 2014-16 Batch) won the contest. Anupam stressed on clean, safe, sustainable and green environment in the city where all communities can live in harmony and preserve their distinct identities.

“The city of Bhubaneswar will strive to ensure a clean, safe, sustainable and a green environment where all communities can live in harmony yet preserve their distinct identities - to serve as a melting pot of culture and ethnicity. A city that is proud of its unique wildlife, long-cherished heritage and cutting-edge technology and where all three can find a seamless integration, where its citizens are ensured of a high quality of life by having access to basic and advanced education, aesthetic public infrastructure, world-class healthcare, employment opportunities and a stimulating environment for the pursuit of all forms of science, art and literature”.

We congratulate Ms. Anupam Priya on creating a Vision statement for the future smart city of Bhubaneswar!

More than one hundred XIMB and XUB students actively participated in the Smart City initiative of BMC & BDA.

More than 30 students joined as champions to spearhead the smart city contest championing the cause of Bhubaneswar and make it win the contest. We thank Ms. Soumya Panda (MBA-HRM) and Mr. Rohit Rati (MBA-RM) for taking the leadership as coordinators.

YIFA Awards:

On March 5th, 2015, the finale of the Youth Incorporated Festival Awards 2015 took place in Mumbai where the best college fests were judged in 12 different categories. Xavier Institute of Management (XIMB) was nominated in 5 categories, won in 2 and had a runners-up award in one category. It was a matter of pride that XIMB's annual management fest, Xpressions bagged 3 prizes amongst hundreds of entries from B-schools all over the country which include premier B-school fests like Mood Indigo and Waves.

XIMB participated in several categories, which were, The Social Meter, Inno-vent, Pause for a cause, Theming Beauty, The hangover, Lasting impressions, Star struck, Crew code, Game on and Fest of the Year. The entries in the winning categories were as follows:

- 1) **Pause for a Cause** :XIMB has always been one for social causes. We believe in giving back to society more than what we receive. Our fest Xpressions, serves as not only a platform to bring out the cultural side of the students but also the benevolent social side of each and every one of us. XIMB conducted 5 events to make a difference to the society which were,

X-Athon: This was the first of its kind Marathon hosted by XIMB. The money raised through the event was sent to an organisation, Smile foundation which works on the promotion of education and provides adequate healthcare to those in need.

X-Pallavan: As a prelude of Xpressions'14,XIMB held a mass tree plantation program X-Enable.

Prayaag: The event staged performers from Ability Unlimited Foundation, a Delhi based foundation that works with differently-abled citizens.

Spardha: It is a social entrepreneurship competition which tests the participants through a series of stages encompassing sectors which is influenced by rural scenarios of India. A write-up was submitted depicting all these social initiatives undertaken under Xpressions.

2) Theming Beauty

A set of 12 HD pictures highlighting the campus décor during Xpressions was submitted. The various aspects of campus decoration pertaining to the Xpressions theme 'Metamorphosis' were captured in these 12 photos

3) Lasting Impressions

Xpressions 2014 was brought to the table with the theme of 'Metamorphosis'. The reason for choosing this theme was the continuous process of transformation towards excellence that XIMB has been witnessing for the past 27 years. This journey of excellence has seen a significant milestone with the launch of the Xavier University Bhubaneswar. The image demonstrates a blend of art with liberty, change with perfection and joy with life. The image rightfully speaks "break your shackles, and spread your wings".
